External Support for A Level Psychology

Exam board: **Eduqas A Level Psychology**

AS and A Level Psychology | Eduqas

Past papers & Mark schemes: AS and A Level Psychology | Eduqas

Question bank: Question Bank by Eduqas

Use the question bank tool to filter past examination questions and mark schemes by topic, skill or marks available. This is a great tool to focus exam practice on specific areas of development.

Ted talks: TED: Ideas change everything

Ted Talks are a great way to build your personal psychological knowledge and interests. There are videos available by leading psychologists on a range of topics which will build your curiosity and support your development as a young psychologist.

Textbooks: *these are the textbooks we use in class as part of your learning. You are* ***NOT*** *required to have your own textbook as all materials you need will be provided in your folders. I have included the information below should you wish to purchase your own for your revision at home.*
