

**ST EDWARD'S
COLLEGE**
LIVERPOOL

FROM THE SENIOR ASSISTANT PRINCIPAL (Inclusion and Adapted Learning - SENDCo)

12 October 2026

Dear Parents/Carers,

SUBJECT: Up-To-Date Allergy Information and Benedict's Law (Ref: 129/28)

As part of our ongoing work to strengthen school procedures and ensure we can keep all pupils safe, we are reviewing and updating the allergy information we hold for every student. This reflects our commitment to meeting our responsibilities under Benedict's Law and ensuring that our records are accurate and up to date.

We would therefore be grateful if you could complete the online allergy information form linked below, even if you have provided allergy information to the school previously. This will help us ensure that the information we hold is current and complete.

Please note that if we do not receive updated information from you, we will either need to assume that your child has no allergies, or continue to work with information that may no longer be accurate. Neither situation is ideal and could affect our ability to respond appropriately to your child's needs.

Thank you for your support in helping us maintain the highest standards of safety and care for all pupils.

Best Regards,

Mr G Ray
Senior Assistant Principal
