FROM THE PRINCIPAL

What a wonderful evening we had at our Old Edwardians' Dinner on Saturday. It was a real pleasure to welcome so many Old Edwardians back to the College and to see former pupils from across the years come together to reconnect, reminisce and celebrate the shared experience of being an Edwardian. It was particularly special to welcome back former Principal John Waszeck, former Deputy Principal Dominic Mackenzie and former Chair of Governors John O'Brien. Their presence was a wonderful reminder of the rich history and enduring traditions of St Edward's College.

I would like to thank everyone who attended the dinner and, in particular, those who generously donated, supported the raffle and took part in the auction. Your generosity will make a tangible difference to the lives of our current pupils, helping us to provide valuable opportunities, equipment and experiences beyond the classroom.

Finally, my sincere thanks go to FOSEC, Palmer & Howells, our Estates Team, our Sixth Form students and everyone else who worked so hard behind the scenes to make the evening such a success. Events such as this demonstrate the strength of our College community and the wonderful connection that continues between St Edward's and its Old Edwardians.

SIXTH FORM HIGHLIGHT! - POP UP EXHIBITION

Our Sixth Form Art students recently held a pop-up exhibition outside the Sixth Form Café, showcasing some of the fantastic work they have been creating recently.

It was lovely to see pupils and staff enjoying a warm coffee while taking the time to admire the creativity, talent and hard work on display. A huge well done to all of our Art students for putting together such a brilliant exhibition!

STAFF ART EXHIBITION - BE PROUD

Come on! Ride with us. We know where we are going. (2026)

This artwork was created by the Friends of Edge Hill Station, supported by teacher and artist Mark Brogan. The work explores themes of travel and connection, featuring a series of hand-painted works that include self-portraiture, landscape, and heritage rail travel.

The group wanted the phrase to express solidarity, togetherness, supporting one another and moving towards a positive future. The phrase 'ride with us' representing unity and togetherness & the artwork location at a train station reflecting the idea of a shared journey - of collectively getting on a train and moving forward together.

The project was produced by Metal and funded by Manchester Histories as part of Rocket All Aboard.

FASHION SKETCHBOOK - JOIN IN

Fashion Sketchbook is a weekly, after school club with limited places and an emphasis on pupils in Years 7, 8 and 9. It aims to encourage creativity and self-expression through fashion design.

Activities include:

- Experimental drawing, collage and fashion mood boards
- Colour development and mannequin draping
- Textile design and fashion illustration
- Hands-on skills incorporating STEAM subjects and sustainability
- Opportunities to display pupils' work and have an Instagram presence.

Overall, it's presented as a fun way for pupils to explore fashion and design outside the regular curriculum.

WHAT'S ON IN LIVERPOOL?

River of Light - the iconic light art festival - will return to the streets of Liverpool this autumn under the theme of 'Together'.

Between 23 October - 1 November, tens of thousands of visitors will once again explore the city and experience the giant outdoor art gallery, which has become a staple of Liverpool's annual events calendar since 2018.

This year's trail is set to be bigger and better than ever as River of Light partners with Liverpool ABID to expand into new locations. Artworks will move beyond the waterfront and spread across the city centre, with new sites including Williamson Square and St Pauls Square.

All artworks commissioned for 2026 will use light to bring people together in a joyful way, and details of the first three artworks have now been unveiled - all of which are European or UK premieres. The wider programme of artworks will be announced in the coming weeks.

COMING UP

This Sunday, Year 7 to 9 will come together at the cathedral for the annual St Edward's Day Mass. This mass is a cherished highlight on our calendar, providing us with an opportunity to unite as a community in faith, gratitude, and reflection.

Wishing you all a wonderful weekend,

Lee Fabia
